1. Sınıf Şifre Çözme Etkinliği: Sembolden Harfe, Harften Sözcüğe

Sayfada bir şifre anahtarı ve beş gizli sözcük var. Anahtar, seçilen ses gruplarına kadar öğrenilen harflerin hepsini gösterir: 1–2. gruplarla on iki harf, on iki şekil. Çocuk her sözcüğün şekillerini anahtarda bulur, harflerini altındaki sarı-beyaz kutulara yazar ve sözcüğü yanındaki defter satırına bir kez daha yazar.
