Şifreli Mesaj Etkinliği: Sembolleri Harfe Çevir, Cümleyi Bul

Sayfanın üstünde bir şifre anahtarı var: yıldız, kalp, damla, şimşek gibi basit şekillerin her biri bir harfi gösterir. Altında gizli cümleler aynı şekillerle yazılmıştır. Çocuk her şeklin altındaki kutuya harfini yazar, sonra cümlenin tamamını satıra geçirir.
